

Hello,

Here in Silverton and the surrounding community, we have a lot of recreation available. What we need is one place to find it all. The Silverton Pool and its glass wall can be that place. Within the program groups, we anticipate some of the following activities:

Silverton Arts Association

Preschool, Workshops, Camps, Craft, quilting and photography workshops

Silverton Senior Center

Arts, Outdoor recreation, Athletics, wellness and enrichment with other seniors

Silverton Area Youth Centers

Arts, Outdoor recreation, Athletics, wellness and enrichment with other youth

Biking, Camps, Hiking, Snowshoe, Paddle sports, Cycling

Athletics

Softball, Corn hole, Volleyball, Soccer, Football, Flag Football, Track & Field, Disc golf

Wellness & Enrichment

Yoga, Pickle ball, Martial Arts, eSports, Theatre, Music, Dance

This is for everyone. Do you or someone you know teach others how to play and recreate? Join the Silverton Activity Guide!

Sign-up is easy and free. Go to one of the following websites, complete the form, Print and drop it off at the pool. We will get them posted.
