Summer Day Camp
2026 Program Guide

**A SUMMER
THEY'LL NEVER
FORGET**

Welcome to Camp Greider!

Adventure Awaits! Looking for a summer full of exploration, adventure and fun? Welcome to YMCA Camp Greider - an outdoor day camp designed for kids ages 6-15. Since 1978, we've been helping campers create lifelong memories, build friendships, and discover new skills while having a blast in the great outdoors. Nestled on 80 acres of scenic beauty in the West Salem Hills, Camp Greider is the perfect place for kids to learn, grow, play and thrive.

With its inviting green spaces, wooded trails, and open fields, Greider offers a unique experiential learning environment. It's a place where campers can explore the natural world, discover new interests, and grow in confidence and character while surrounded by the beauty of nature.

Our programs strive to spark curiosity, creativity and confidence through hands-on outdoor experiences. Campers can explore nature with hikes and outdoor skills, stay active with sports and team challenges, or dive into science, art, and imaginative play. No matter their path, every camper will have the opportunity to make friends and try new things.

OUR PROGRAMS

GREIDER ADVENTURES

The heart of YMCA Camp Greider's traditional day camp experience! Designed for youth ages 6-12, this program blends outdoor exploration, creative arts, and skill-building activities to inspire curiosity and confidence. Rooted in the Y's CHoRR values, small, age-appropriate groups create a safe and supportive space where campers have the opportunity to develop friendships, solve problems, and celebrate personal growth.

GREIDER OUTDOORS

Greider Outdoors is a dynamic camp experience that combines traditional summer day camp fun with an immersive focus on outdoor recreation, nature exploration, and environmental science. Campers dive deeper into adventure with two hours daily in a specialty area of their choice gaining confidence, valuable knowledge, and unforgettable memories along the way.

GREIDER DISCOVERY

Greider Discovery blends traditional camp fun with hands-on learning in science, technology, engineering, art, and math (STEAM). Campers spend two hours each day exploring creativity, experimenting, and solving problems through engaging activities that inspire curiosity and personal growth—turning every day into an exciting adventure in discovery!

LEADERS-IN-TRAINING (L.I.T.)

Greider's L.I.T. program is a chance for teens who are ready for additional challenges to learn leadership skills in a positive environment, and take on more opportunities for growth in their camp community.

PROGRAM INFORMATION

Greider Adventures is the foundation for all of our camp offerings. The emphasis is on fun, healthy activities that build community and provide for an amazing outdoor summer experience. Activities such as swimming, arts & crafts, themed activities, recreational games, boating and archery are built into their summer fun. Greider Outdoors and Greider Discovery add instructional topics that make this one of the most unique summer programs. These camps follow the basic structure of Greider Adventures, except for approximately two hours spent daily on the specialty camp topic. Specialty camps are led by instructors who bring their expertise and enthusiasm to this premium experience.

Required Registration Forms & Waivers

All registrants must complete the registration agreement, waivers and medical information (ePact) online, and are required before youth will be allowed to participate.

Special Registration Deadlines

Registration for the week of June 23rd closes on Sunday, June 8th to allow for adequate preparation time for the first week of camp. All other registrations close two Sundays prior to that camp's start date.

Weather Considerations

The majority of our activities take place outdoors. Because we cannot depend upon nature to be completely cooperative, alternative programming may be necessary when weather conditions become unsafe, uncomfortable or too unpredictable.

Camp T-Shirt

Every camper will receive one camp t-shirt per summer, regardless of the number of camp sessions they attend.

Safety & Behavior

Camp Greider staff make every effort to maintain a safe and enjoyable program for all. Participants are expected to follow basic rules for safety and respect, similar to a school setting. Parents/guardians will be informed of these procedures and guidelines, as well as discipline details in the Parent/Guardian Handbook and are expected to support the policies and procedures of the program and staff. Appropriate measures will be taken to redirect and improve behaviors, with collaboration from guardians when necessary. Tips or information in advance to help prevent and/or address specific needs for your child are encouraged. Behaviors or incidents of an ongoing, unsafe, serious and/or threatening nature may be cause for removal without refund or credit.

CAMP STRUCTURE

Overview

All camps are scheduled weekly, allowing families to select and combine any number of weeks throughout the summer. All camps meet for the full day and include recreational activities in addition to the selected topic / theme week. Camps are limited to a maximum number of 16 youth or less, with a minimum of 2 staff (1:8 ratio). Specialty camps feature an experienced instructor in addition to the two daily camp staff, creating an excellent learning environment with a ratio of 3:16 or better.

Ages

Programs are specifically planned for the ages that are advertised and exceptions are rarely made. Children must meet the listed age requirement for the camp by the start date.

Camp Times

Check In 7:30 - 7:55am

Our buses leave the Withnell Family Y at 8:00am. Participants need to be dropped off by 7:55am to allow our bus to leave on time. We are unable to accept late check-ins at the Withnell Family Y.

Check Out 5:00 - 5:30pm

Late pick ups will be assessed an additional fee. See Parent Handbook for more details.

Camp Location

Withnell Family Y (Check In & Out)

685 Court St NE
Salem, OR 97301

Camp Greider

5390 4H Rd NW
Salem, OR 97304

Check-In & Parking

Check In/Out is walk-up only at the north entrance right off the parking lot at the Withnell Family Y. Due to limited parking and many participants, finding a spot can be challenging.

No camp parking or stopping is allowed in the lot directly adjacent to the Withnell Family Y, including fire lanes.

Please respect parking contract holders and watch for pedestrians and bicyclists. Plan ahead to allow extra time for parking and check-in/out.

Please Be Patient

When you arrive there may be lines. Lines are organized by campers' last name. An adult must wait with their camper until Greider staff checks you in.

Sign Up to Sign Out!

All youth must be signed out in-person by an authorized adult. The adults must be on the approved pick-up list and must show photo I.D. Ensure all adults, including legal guardian names, are in ePact as authorized pick-ups.

ABOUT OUR STAFF

The people who work at Camp Greider are our biggest asset. Their special interest in recreation, education and youth development, and their enthusiasm for active learning makes all programs a fun experience.

Camp Leadership

Each summer an experienced Leadership Team is employed to run our programs. This group of individuals have experience at working with youth, at camp and beyond. Together they oversee the daily operations and ensure a fun and high quality experience for all.

How the Staff are Chosen

Staff are chosen based on their previous experiences with youth, with preference given to those with a background in education, recreation, or child development. Many staff have prior experience at other summer camps or in a school setting.

Staff Training

All staff are CPR and Standard First Aid certified, have passed a background check, and have participated in extensive orientation and training programs. These initiatives emphasize safety and provide tools and resources for addressing common situations that may arise.

Parent/Guardian Expectations

All parents/guardians are expected to read and follow the information in the Parent Handbook, as well as program information that is provided to you prior to the start of participation. The Handbook is available for viewing online on our website. Important details regarding camp operations, policies & procedures, contact information, and more will be included in a pre-camp email. If you do not receive this information via email approximately one week prior to your camp start date (at the latest), email us at youth@theyonline.org. Also, check your registration account to ensure you have opted in to receive emails from us and have not unsubscribed.

Greider Adventures

At the heart of YMCA Camp Greider, Greider Adventures is where campers build foundational skills, create lifelong memories, and become part of a vibrant camp community. Designed for ages 6-12, Greider Adventures instills our core values of Caring, Honesty, Respect, and Responsibility through engaging, age-appropriate activities and the excitement of outdoor exploration.

In our “Cubs” program, campers ages 6-7 learn the importance of caring and nurturing through fun, guided activities that foster kindness and community. “Hawks,” for ages 8-9, encourages campers to develop honesty and clarity as they explore and embrace their adventurous spirit. For our oldest campers, the “Wolves” program for ages 10-12 emphasizes respect and teamwork, as they bond with peers and take on greater challenges. Each camper contributes to and benefits from a supportive environment where they are encouraged to take responsibility for themselves and others. From arts and crafts to outdoor skills, every activity at Greider Adventures celebrates personal growth and the excitement of spending a week immersed in nature and friendship.

CUBS (AGES 6-7) - “CARING”

For our youngest explorers, Cubs offers an exciting introduction to the great outdoors! Through a mix of hands-on activities and classic camp fun, campers will discover the wonders of nature, build new friendships, and develop essential skills in a safe, nurturing environment. Perfect for curious little adventurers ready to jump into the world of Greider!

HAWKS (AGES 8-9) - “HONESTY”

Hawks is designed for campers eager to soar to new heights of exploration and independence! With activities like archery, team challenges, nature exploration, and creative projects, Hawks campers will build confidence, teamwork, and outdoor skills in an engaging, supportive setting. Each day brings fresh adventures and opportunities to connect with friends and discover new talents.

WOLVES (AGES 10-12) - “RESPECT”

For our oldest campers, Wolves is all about leadership, skill-building, and taking adventure to the next level! Wolves campers dive into activities like advanced outdoor skills, group challenges, and creative expression, fostering independence and teamwork through exciting new experiences. Perfect for campers ready to lead the pack, embrace challenges, and create memories that last a lifetime!

Greider Outdoors

Greider Outdoors is a dynamic camp experience that combines traditional summer day camp fun with an immersive focus on outdoor recreation, nature exploration, and environmental science. Campers will enjoy classic camp activities that foster friendships, teamwork, and fun, all while dedicating two hours each day to a specialty topic of their choice. Each program immerses campers in hands-on, experiential learning, from archery and survival skills to plant science and wizarding wildlife adventures. This premium camp experience offers a unique blend of exploration, skill-building, and discovery, adding an extra layer of outdoor adventure to their summer.

ARCHERY

Explore the art of archery in this engaging, hands-on camp experience! Guided by a trained instructor to learn essentials like stance, grip, aiming, & release. Each day, they'll build their skills, practice precision, and participate in fun games and challenges designed to boost focus, patience, and confidence. Safety and respect for equipment are top priorities, ensuring a supportive environment for all skill levels.

Greider Discovery

STEAM-focused camps where creativity, hands-on experimentation, and exploration come together to inspire young minds. With daily specialized instruction in science, technology, engineering, art, and/or math, campers dive into engaging programs like Nature's Kitchen, Soaring & Exploring, Messy Art Blast, and Dungeons & Dragons. Each activity encourages critical thinking, creativity, and teamwork, blending the excitement of traditional camp with meaningful learning experiences.

NATURE'S KITCHEN

In this outdoor cooking and garden-powered adventure, campers explore how nature becomes the snacks we love. They'll harvest herbs, taste new flavors, build solar ovens, prep kid-friendly recipes, and learn where food comes from through hands-on science and creativity.

Our mid-June campers help kick off the season by planting, designing, and launching the summer garden, experimenting with no-bake treats and early-harvest flavors. Our mid-August campers return to a thriving garden to pick, prepare, and share fresh ingredients in a garden-to-table celebration.

Both sessions offer the same core experiences with seasonal twists, giving each group a unique role in the story of the Greider Garden.

Do you have a budding director on your hands? Bigfoot's Backyard Studio is an opportunity for all your future Spielbergs, Coppolas, and Gerwigs to flex their movie making skills, while also getting to learn about the myths and legends of cryptids in our world. This camp will culminate in a final movie to be shown at our end-of-week talent show!

- August 18 - 22, ages 7-9
- August 18 - 22, ages 10-12

DUNGEONS & DRAGONS

Step into an epic world of adventure, teamwork, and imagination! Campers will create their own characters, embark on thrilling quests, and work together to overcome challenges in a unique Dungeons & Dragons campaign. Whether solving puzzles, battling mythical creatures, or crafting their own storylines, campers will build problem-solving skills, teamwork, and creativity in this immersive role-playing experience. Perfect for adventurers of all levels—no prior experience needed!

- July 6 - 10, ages 10-12
- July 20 - 24, ages 10-12

S.T.E.A.M. EXPLORERS: SUPERSIZED SCIENCE

Dive into a week of discovery and creativity as we explore the exciting world of S.T.E.A.M. (Science, Technology, Engineering, Arts, and Math). Each day focuses on a new theme, from building bridges and coding experiments to creating artistic masterpieces and solving math-based puzzles. With hands-on activities and thrilling challenges, this camp inspires curiosity, teamwork, and innovation in every camper. Perfect for young inventors and future problem-solvers!

S.T.E.A.M. EXPLORERS: BUILDERS AND BREAKERS

This camp is for kids who love to invent stuff, take stuff apart, and ask way too many “what if” questions. Outdoors at Greider, campers become nature-powered engineers. One day they’re building bridges with sticks and rope; the next they’re cracking “boulders,” testing wind machines, or seeing if their mini shelters can survive the Great Greider Rainstorm Challenge. Builders create. Breakers experiment. Everyone gets a turn to proudly say, “Well... that didn’t go as planned,” then try again. It’s curiosity, chaos (the controlled kind), and creative problem-solving wrapped into one unforgettable week.

- August 3 - 7, ages 7-9
- August 3 - 7, ages 10-12

MESSY ART BLAST

Unleash your creativity and get ready to make a colorful mess! In this hands-on camp, campers will explore a variety of fun and unconventional art techniques, from splatter painting and tie-dye to clay creations and outdoor murals. With no limits on imagination, this camp is all about embracing the joy of artistic expression—mess and all!

- June 29 - July 2, ages 6-8
- June 29 - July 2, ages 9-11
- July 13 - 17, ages 6-7

Leaders-In-Training

The Leaders-in-Training (L.I.T.) program at Camp Greider is designed for teens ages 13-15 who are ready to build confidence, develop leadership skills, and grow in a supportive environment. Under the guidance of their L.I.T. director, participants will develop practical leadership skills by planning and leading activities, guiding younger campers, and taking initiative in team projects. Through workshops, team-building exercises, and hands-on experiences, teens will gain tools they can use for life—whether preparing for future roles as camp counselors, leaders in their communities, or stepping into new challenges with confidence.

Not Ready for Overnight Camp? No Problem!

The L.I.T. program is a local, day camp experience perfect for teens who want to explore leadership opportunities without the commitment of overnight camp. It's the ideal stepping stone toward greater independence and readiness for future challenges.

A Program Designed for You

Whether you're exploring leadership for the first time or honing your skills for future opportunities, the L.I.T. program meets you where you are. Each week includes team-building activities, leadership workshops, and guided experiences working with younger campers—all in the great outdoors at Camp Greider. It's a safe, fun, and inspiring way to build confidence and create lasting memories.
